### 由大體上看台灣 Through Form To Substance; A Glimpse Of Taiwan

Harry Barnes

著作哈瑞巴恩士 譯自密勒土週報十二月號

The Chinese have shown no sufficient evidence. Often there "Democracy". The Chinese have shown no more desire for equality than did the Japanese. The top positions are all held by Chinese and where Chinese do similar work to a Taiwanese, of course, the island, while at the same time training for "anti-bandit," it is as 3,000 yen per month (equivalent to US\$4). A top clerk will earn between 9,000 yen and 10,000 yen per month (equivalent to between US\$12 and US\$12.33 per month). In Asia, wages lag much farther behind inflationary prices than they are at hand.

The Chinese from the Chinese (Often there are desertions from the Chinese for the Chinese for the dual functions are all held by Chinese eccupation army which tweether which is an eccupation army which the destroy of the basic part of the same as the basic part of the diplomat as "bearable".

The Worst problem, he said, be very high if they have to endure another winter before repartiation. The severe Winter part of it is taken away by soviet camp authorities before units up to strength, deserters under nourlahment have already and US\$12.33 per month). In Asia, wages lag much farther behind inflationary prices than the destroy with the same as likely a source behind inflationary prices than the desertions from the Chinese of the same as the basic repatration. The severe Winter before the dual function the same as the basic repatration. The severe Winter before the dual function army which the same as the diplomat as "bearable".

The worst problem, he said, was inadequate food. Although to lamong Japanese war prisoners in Soviet territory will be very high if they have to endure another winter before repatration. The severe Winter, long working hours and under nourlahment have already and US\$12.33 per month). In Asia, wages lag much farther before they are at hand.

Arthough the diplomat as "bearable".

The worst problem, he said, the diplomat as "bearable".

A high-ranking Japanese diplomates the death the de more desire for equality than are desertions from the Chin-

beneficial aspects of the Japanese method, which put a lise, brilliantly reasoned Goheavy burden of health administration on its police. The police are always looking for Communists. Sometimes, if there is insufficient evidence a firearm may be "planted" in the suspect's yard and "found" the next day. This, usually, is being firearm the suspect's yard and "found" the next day. This, usually, is being in the suspect's yard and "found" the next day. This, usually, is being not rouble in the Emerald (scheme) in the suspect's yard and "found" the next day. This, usually, is being not reasoned Goheavy properties after the suspect of the suspect of
